Registration:

The amount of registration for each camper is \$275. This amount includes a T-Shirt, Bandana, Luau, meals (excluding breakfast), and Schlitterbahn. You will need to calculate your transportation, breakfast, and hotel cost and add the \$275 registration fee per camper to determine your camp cost per person. The registration money and the first nights room charge will be due to Solid Rock Resources by May 1. **ALL MONEY IS DUE ON JUNE 1 -- NOT WHEN YOU GET TO CAMP.** Make checks payable to Solid Rock Resources. All those who attend camp activities must pay the registration fee. This includes the youth pastors, leaders and students. Factor any leader discount in your own camp costs. The space used in the conference room for staging and props determines the space left for participants. The response to Camp Padre is overwhelming and we can only arrange for room enough in the conference room to accommodate for the number of people who register for camp. All those who participate in any camp activity must register. For any additional people that will be accompanying your group will be responsible for VIP fee; \$175 includes meals and waterpark.
